

CAPABILITY STATEMENT

We are a Mexican company with 116 years of experience. Cremeria Americana is the leading company in the butter and margarine sector.

From our years of studying and observing the markets we serve, we created products that adapt to and satisfy the needs of a multitude of markets. We are committed to meeting the expectations of our customers and contributing to their exceptional performance in their endeavors.

OUR MISSION

At Cremeria American we know education is an opportunity and people with the correct tools can change the world. With this in mind, we strive to promote better education opportunities for Mexican children by generating funding to support our ADA Foundation.

OUR VISION

To foster a close and reliable relationship with our customers, by providing comprehensive solutions for the mutual growth of success and business.

We aim to be a source of innovation, fresh perspectives, and high quality products.

OUR VALUES

- Overall engagement in the Mission of our Company
- Honesty
- Supporting our people and their development
- Clear and accurate communication
- Treating others as we would like to be treated.
- Teamwork and productivity
